Publicly-held Company

NOTICE TO SHAREHOLDERS

COSAN LOGÍSTICA S.A. (B3: RLOG3) ("Company") informs its shareholders that, in the notice to shareholders released by the Company on September 22, 2017 ("Notice to Shareholders"), related to its capital increase of seven hundred and fifty million reais and twenty centavos (R\$750,000,000.20), issuing ninety-five million, one hundred and seventy-seven thousand, six hundred and sixty five (95,177,665) non-par, registered common shares ("Shares"), at the issue price of seven Brazilian Reais and eighty-eight centavos (R\$7.88) per common share ("Capital Increase"), it was stated that each share held by the Company's shareholders on September 26, 2017 would give the right to subscribe 0.25860223 new shares, when in fact each share confers the Company's shareholders the right to subscribe 0.25898126 new shares.

This error was due to no deduction of the Company's shares held in treasury out of total shares issued. Thus, the new factor of subscription shall be considered.

In addition, Cosan Limited, the Company's controlling shareholder, reaffirmed its commitment to subscribe up to 100% of shares to be issued in the capital increase, exercising its preemptive right and participating in the apportionment, so that to ensure full ratification.

Finally, the Company states that the information provided in item 4(n) of Exhibit I to the Notice to Shareholders, prepared pursuant to article 30, item XXXII, of CVM Instruction no. 480, of December 7, 2009, as amended, is rectified and shall become effective as per the wording below:

“n. Inform the deadlines, terms and conditions and issued share subscription and payment method:

The Company’s shareholders currently holding shares issued by the Company shall be entitled to preemptive right in the subscription of said increase. The shares subscribed by the shareholders when exercising their preemptive right shall be paid upon subscription, in local currency.

*The preemptive right shall be exercised during a period of thirty (30) consecutive days beginning on September 27, 2017 (inclusive) and ending on October 26, 2017 (inclusive) (“**Preemptive Right Period**”), through the execution of a subscription bulletin to be made available to the shareholders by the underwriting agent and paid in local currency, upon subscription.*

Each share held by the Company’s shareholders on the board of directors’ meeting date shall entitle its holder to subscribe 0.25898126 new shares.

The Company’s shares acquired on the auction to be held on September 27, 2017 (inclusive) shall not be entitled to preemptive right on the subscription of the Capital Increase and, as from such date, the Company’s shares shall be traded ex-subscription rights.

Those shareholders that elected not to exercise their preemptive right to subscribe the Shares can trade or assign it to third parties, either on stock exchange or on a private trading environment. The shareholders holding shares registered with the Company’s underwriting bank can assign the preemptive right (including the greenshoe option subscription right), in accordance with the procedure informed by the underwriting agent. The shareholders whose shares are held in custody at B3 shall contact their custody agents.

The shareholders that exercised the preemptive right cannot assign the greenshoe option subscription right.

Upon the end of the Preemptive Right Period, the Company shall disclose a Notice to Shareholders, informing the shareholders that exercised the preemptive right and expressly requested, in the subscription bulletin, about potential greenshoe options and calling the shareholders to subscribe the greenshoe option to which they are entitled”.

Further information on the Capital Increase and on the conditions for subscription and payment of the Shares are available at request to the Company’s Investor Relations Area via electronic address dep.ri@cosan.com, or telephone numbers (+55 11) 3897-9797 / (+55 41) 2141-7555.

São Paulo, September 28, 2017.
